“The native Amazonian peoples have probably never been so threatened on their own lands as they are now.”- Pope Francis, Peru, January 2018.

This is true for Indigenous peoples, but also for traditional communities of the Amazon.

Here are two communities in Brazil under threat:

- The way of life of the *seringueiros* (artisanal rubber tappers) is being destroyed by industrial logging.
- The Mura Indigenous people of Manaus were not consulted before a phosphate mining company began operations on their lands.

This weekend we have an opportunity to sign the Development and Peace - Caritas Canada Solidarity Letter to support of these two communities. Your signatures will allow us to call for their protection and respect of their rights. Together, let's defend the defenders of the Amazon. To sign the Solidarity Letter online: devp.org/act.

A Prayer for Remembrance Day

God of love and justice,
today we remember all
men and women
who died in defense
of our country and its freedom.

Help us to honour their sacrifice
through our prayers and actions
for peace in our world.

Send your Spirit to help us to let go of
misunderstandings, hatred and prejudice
so that we may grow together as one family.

Guide our steps in the way of peace
We ask this prayer through Jesus Christ,
the Prince of Peace.

Amen.

Cut this form and please return this to the Holy Trinity Office no later than December 1st.
